I Am Referred To As Ré (pronounced Ray). I Am A Orgone TEK Builder and Designer Of Metaphysical Modalities and Amulets. I Have Journeyed On The Spiritual Path Of Enlightenment For Over 27 Years. I Have Been A Crystal Enthusiast and Collector For 20 Years and Have Been A Spiritual Practitioner For Over 13 Years . I Have Been Tried and Proven True Within The Ancient & Mystical Order Of Melchizedek and The Ancient Egiptian Order of MIR #9 of Rameses Lodge Temple #19. Under The Supreme Grand Potentate and Grand Mufti Al Divine Supreme Grand Master Teacher A'Aferiti Atum Ré. At This Point I Have Been Raised To Become A Master Over Space and Time . Knowing No Depth and No Height Raised From The Darkness Of Ignorance To The Intellectual Light. Wearing A Crown That Is One Of My Own.

I Come Fourth By Day To My Melanated People Of 9
Aether Pigment In The New World Of North America
(Imhotep) In Peace and Love (ASHUG). With A Message
Of Love From The Plane Of Divine Love (A
Compassion Not Yet Comprehended by Human
Beings, But Will Be) Of Which Earthly Perception Of
Love Is Only A Reflection. Our People Have Lost A
Sense Of Identity, Lost A Sense Of Culture, and A
Sense Of Reality Mainly Because We Are Not Operating
In Our Right Minds. The Remedy and Solution To Such
Impediments Are Found In The Seat Of The Heart
Plexus. The Plane Of The Guardian Angels and The
Spirit and Souls and Thoughts Are FORMED. Close In
Proximity To The Plane Of Divine Truth Which Is Found
In The Throat Area Of Mortals and Resonance Is In The
Planes of Reality. Which Are Proceeded By The Divine
Union Of ALL (KULUWM) Of Which All Beings Are
Connected To and Through. Divinity Is Misinterpreted
and Is Of Little Interest To The Populace Of The
Western World As A Whole Due To The Adopted
Religion Concepts of Foreign Invaders. Which Have
Skewed & Perverted Customs, Traditions and Nature
At Large. Giving Vague and Ambiguous Concepts To
Receivers Sincerely Seeking The Truth

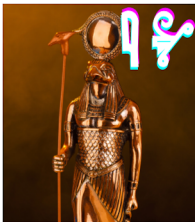

In Our Heart Of Hearts We All Seek The Truth. We Want To Know That We Are Doing, Saying, and Thinking The Right Things The Right Way and That Our Merits Will Yield Some Form Of Reward. This Is An Innate United Sense Of Progressive Thinking. We Inherit This “Thought Concept” Genetically Within The Lineages That Are Linked Through Mother To Father Grandmother To Grandfather Back To The Ancient Ancestors Of Antiquity That Also Adopted Primordial Instruction That Echoe From Realms Of Eternity Of Which One Could Not Possibly Fathom From The Dense Construct Of The Physical Reality We Readily Accept As Reality. Which Is Fluid In This Fallacy Called Society. The Flaws Of This System and It’s Simulation Has Inspired My Being To Present A New Paradigm To You. This The Outline Of The Way To Go About Exiting The Spellbouding Agenda and Backwards Thinking Of The Curriculum and Education Giving To All Inhabitants Of The Western World. Which Is Hellbent On You Not Going Within And Accessing The Divine Inside. It Is A Plan and Agenda Funded and Exacted With Concentrated Efforts. I Will Walk You The Conscious That Is Your Very Being. Into and Through The 9 Gates Of RéKnowology.

What Is RéKnowology

RéKnowology Is An Invented Word I Created . It Is Comprised Of The Deity RA/Ré(pronounced ray) and The Word KNOW and OLOGY Which Finds Its Roots In The *Latin* Language Meaning; *To Study, Or A Branch Of Knowledge*. So RéKnowology Is Knowing To Study The Branch Of Knowledge That Leads Back To Ré.

Ré Is The Ancient Egiptian Deity Or God Of The Sun Who Also Was Depicted As An Actual Mortal. Usually Adorning The Mask Of A Falcon and Or A Ten Crown Sun Disk On His Head. Ré or RA Was Regarded As The Father Of The Neteru and His Wife MUT The Mother Of The NETERU.

Ré Is Also Known As ATEN, ATON, ATUN, & AMEN Is Also Translated and Misinterpreted As God, Jesus, Theos, and Yahweh and Many Other Names and Depictions That Seek To Replace The Image Of The Ever living God. The One God That Is Immortal In The Sights Of It's Creation

The Are As Many

now seen[c] the One who sees me.” 14 That is why
the well was called Beer Lahai Roi[d]; it is still there,
between Kadesh and Bered.*

*(which translates as the source that sees). The Sun

All Life. Called The Ruler Of Gods Creation In
Revelations 3:14.

Based On What We Have Covered So Far. We Can Revise Our Conclusion. In Regards To RéKnowology. RéKnowology Would Be The Branch Of Knowledge Of Knowing The Source/Soul Of The Essence Of Who We Are. Which Can Be Described As Our Divinity. As We Are Divine Beings Unified With The Divine That Unifies Us All. We Are A Micro Aspect Of The Macro Sun or SOL/Soul/ Self Which Is Ré. We Exhibit All The Attributes Of The Sun As A Soul.

Question:Who Are The NETERU?

9 GATES OF RéKNOWOLOGY

The Gates Are Represented By Columns Symbolic Of The Number 11. 11 Is A Master Number and Primary Repdigit Associated With Spiritual Messengers. Associated With The Psychic Center and Dialing Into The Intuition. These 9 Steps Will Guide You Through The Gates Of The Great NETER. Earning Favor and Focus Necessary To Cultivate A Level of Awareness That Symmetrically Aligns One With Synchronous Events That Turn Into Serendipitous Bouts Of Tranquility.

GATE ONE : DICTIONARY & BIOLOGY

It Is Of The Upmost Importance To Study The Dictionary and Learn The Origin Of Words. Where Did The Words Origin Come From. What Does The Word Mean and How The Word Could Be Used Or Should Be Used In A Sentence. We Speak English Which Cannot Be Regarded As A Language Being That It Does Not Have A Mother Tongue From Which It Originates From. English Letters Are Actually Roman Numbers & Is Based On A Book Of Dark Evil Spells Called Grimoire.

This Is Where The Terminology and Word Grammar Comes From. Many Of Us Went To Public, Private, Or Catholic/Muslim/Judaic Schools That Were Referred To As Grammar School. The Hebrew Word For HELL Is: שְׁאוֹל She Ol (pronounced: shool)**which is how the word school is spelled.** So You Send Your Children To Hell To Learn Dark Evil Spells. These Spells Evoke A Sleep Like State On The Receiver Making Them Unaware Of The Present and Being Made To Be A Fool or Ignorant Over Time To The Incantation Being Woven Into The Very Psyche Of It's Victims. Making What Is Evil Seem Fair & That Which Is Fair Seem Evil. **Example Of This: I**

Remember When The Young Girls In Grammar School Wore Dresses and Slips and Tights Or Stockings All At Once. Then The Girls Stop Wearing Slips. Then Tights and Stockings, To Now They Just Wear Tights & Know One See's Anything Wrong With This Dress Code. In fact It Is Trending and Regarded As Reasonable Wear.

It Is Not Only Inappropriate It Is A Potential Safety Hazard and Increases The Probabilities Of Unfortunate Circumstances To Develop. A Child Should Not Wear Any Clothes That Accents Their Sexuality. That Can Entice Sexual Pedophiles, Predators and Deviants A like Into The Life Of These Children. Preying In Our Neighborhoods, Families, and Communities.

This Is Just One Of Many Concerns That Plague Our Children and Is Accepted As Fair Seeming ,and To Point Out The Flaws In This Way Of Thinking, Living, Or Raising Children Is Frowned Upon. Which Is Senseless When You Consider The Plethora Of Missing Children, Amber Alerts, and Human Trafficking That Occurs On A Daily Basis. Sexualizing Our Youth Is Counterproductive To The Efforts Of Keeping Them Safe And Is The Plan Of The Demon Man and His Cohorts

People Still To This Day Practice The Art Of Invoking These Dark Evil Spells. Producing A Generating Current That Fuels The Work Of This Demonic Spell. Referred To As Leviathan Meaning : The Law Of Sin and It Produces Spiritual Ignorance.

**Shows Like This Are Concurrently On Television
Made To Be Fair Seeming**

Knowledge Is Very Necessary In This Day and Time and, The Knowledge Of The Words We Speak Can and Will Shape The Reality Of The World That We Live In. We Have To Develop A Motivation and Drive To Learn and Educate Ourselves and Those We Know and Love Also. It Begins With A Dictionary (Where There Is No Diction Yet Only Definitions). Defining Words and Knowing The Meaning Of These Words Will Strengthen Your Ability To Think and Expand The Consciousness and The Ability To Retain Information. If You Habitually Develop The Ability To Study And Or Read Content of Substance. For 19 minutes Everyday You'll Develop The Ability To Observe Yourself and The Thoughts You Are Thinking. You'll Increase The Probabilities Of Impacting Your Immediate Environment and Reality In A Positive Way. Conveyance Of These Thoughts Will Find The Right Words To Express Thoughts That Are Abstract and Beyond Practicality and Rationale. This Takes Intellect, Awareness, and Reasoning . Your Words When Spoken and Projected With Meaning and With An Intent Of Being Received Will Be Received. The Impact Sound Has On The Material Reality, Is Heard.. Think About That.

BIOLOGY

Once You Have Begin Expanding Your Vocabulary. You Want To Start To Investigate The Human Anatomy. Be The Best Biologist You Can Be. Technology Has Made It Very Easy To Access Not Only The Dictionary and Etymology and Thesaurus. You Can Also Access Waves Of Biology As Well. Learn About The 11 Systems In The Human Body. The Regions Of The Brain and Its Innerworkings. The Endocrine System, The Cellular Makeup , The 206 Bones, The Central Nervous System, The Muscular System, etc. One Of The Oldest Egiptian Axioms Is : KNOW THY SELF. We Begin To Know The Self By First Acknowledging The Visible Self That Registers In The Visible Spectrum. Studying The Physical Anatomy Incites The Reproduction Of Neurotransmitters and Generate New Neuropathways For Them To Be Distributed Via The Brain To and Through Out The Vast Complex Of The Living Organism That Is Your Human Space Suit Called *The Khat*. Which Houses The Spirit Called The *KA*, Which In Turn Houses The *BA Which Is The Soul*.

Your Body Has Over 300 Trillion Red Blood Cells That It Produces Every Season Of Every Year That You Live On The Planet. Speak To These Cells. Make The Connections To The Multidimensional Matrix That Makes Up Your Material Form. It Is Symbiotically Merged With Your KA. Your Skin (*The Largest Organ On Your Body*) Exhibits A Sentient Like Intellect That Corresponds With You Through The Plane Of Force Which Is Located In The Sub Region Of The Intestine. Two Inches Beneath The Navel. This Is Near The Abdominal Brain (*The Emotional Plane*). Where The Subconscious Mind Stores All Recorded Experiences and Your Awaken Conscious Access To Assist With Involuntary Functions. Which Is Connected To A Structure In The Brain Called The Basal Ganglia. The Basal Ganglia Is The Hub For Cognition and Voluntary Movements and Procedural Learning. It Also Responds To Complex Processes That Affect The Body. So Many Of The Functions That Are Exhibit In and By The Body Is Controlled By The Basal Ganglia On Behalf Of The Creative Force of Will Called **HU**. Every System In The Body Is Responding To The Force Within You, That Is You The True Divine Self.

There Are Also Different Kinds of Connections That Happen Throughout The Basal Ganglia. Some of These Connections Are “Excitatory,” Meaning They Cause Something To Happen. Others Are “Inhibitory,” Meaning They Stop Signals From Continuing. Some Connections Trigger The Release of Other Neurotransmitter Chemicals, Which Your Body Uses For Communication and Activating or Deactivating Certain Processes and Systems.

This Is A Mere Example Of The Vast Wonders Awaiting Discovering By Your Awareness In Your Very Own Body. So When Entering The Gateways of RéKnowology In Route To Becoming A RéKnowologist It Is Vital To Overstand The Functions Of Ones Own Body. Be Like A Biologist Investigate The Physical Facet Of You To The Best Of Your Ability. It Is Your Body. Care For It Inner stand, Overstand, and Understand The Multiple Nuances That Weaves It All Together. Because It Is Your Temple. Keep In Mind I Am Not Insisting On You Having A PhD In Medicine Or Surgery. What I Am Implying Is That You Study From Their Books, Curriculum, And Notes Concerning The Vast Complex Of The Physical Apparatus.

Encourage interdisciplinary opportunities by exposing us to ideas and techniques from various fields.

Build on scientific innovations by staying updated on current trends and developments.

REVIEW & REPEAT

Reviewing the information we read and research is a crucial step in the learning process.

By reviewing, we strengthen the connections in our brain, aiding the transition from short-term to long-term memory.

It allows us to reflect on what we've learned, ensuring we've grasped the concepts correctly.

Reviewing can highlight areas where our understanding is incomplete, prompting further research.

Regular review makes it easier to recall information when we need it

Engaging with the material through review encourages a deeper level of cognitive processing.

In essence, reviewing solidifies what we've learned, making it a part of our permanent knowledge base.

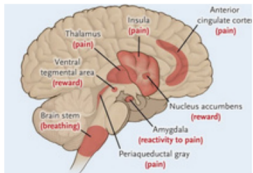

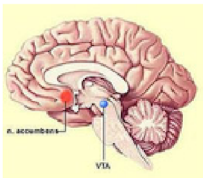

It's an investment in our intellectual growth and a foundation for future learning endeavors.

Repeating these steps on a regular bases allows neuroplasticity in our brain to evolve and open the channels for greater overstanding of learning and retaining and applying said knowledge into our daily affairs. Intellectual growth will become visible and apparent to ourselves and others also.

The Sequential Path To Mastery

The Sequential Path To and Of Mastery Consist Of Consistency and Or Repetitious Activity That Exhibits A Form Of Mastery That Is Measured By One's Interest And Desire To Reach The Ability To Remember and Retain With Confidence. This Strengthens The Muscle Memory and Focus When Exhibiting Thoughts Words and Actions. Motivating The Applicant To Continue To Forge With The Milestones and Result Based On Repetition. This Is Marked By A Certain Number Of Times One Repetitiously Performs An Activity. Rather It Be A Thought or Idea, Word Or Speech, Or Doing Something. The Receptor In The Brain That Is Stimulated and Or Activated By This Activity Is Associated With The Nucleus Accumbens.

The Nucleus Accumbens, Which Is Part Of The Ventral Striatum. This Region Is Strongly Associated With Motivation and Reward and Is Activated When Dopamine Levels Rise During Rewarding Experiences. The Ventral Tegmental Area (VTA) Also Plays A Crucial Role, As It Produces and Releases Dopamine In Response to Rewarding Stimuli, Which Then Travels To The Nucleus Accumbens Through The Mesolimbic Pathway. These Structures, Along With Others Like The Hippocampus and Amygdala, Form The Brain's Reward System, Which Reinforces Behaviors That Are Beneficial or Pleasurable.

The Sequential Path To Mastery

For Retaining and Or Remembering What We Learn Rather It Be A Skill, Talent, A Song Or Particular Activity Like Dancing, Athletics, Or An Occupation. Repetition Must Be Exhibited To Refine Our Ability and Develop The Ability To Unconsciously Perform The Task.

Depictions Of The Supreme Being Khentimentiu

Khentimentu, (also known as) Khenti-Amentiu, Was An Ancient Egyptian Deity Whose Name Means “Foremost of the Westerners” or “Chief of the Westerners,” Referring To The dead. This Deity Was Associated With the Necropolis at Abydos and Was Depicted As a Jackal-Headed Figure, Guarding the City of The Dead. The Title Was Used For Both Ausaru and Anubis, and It Is Believed That Khentimentu’s Temple in Abydos Was The First To Be Built.

Over Time, The Roles of Khentimentu, Ausaru, and Anubis Evolved, with Khentimentu Becoming More Closely Connected with Ausaru. By the First Intermediate Period, Khentimentu’s Temple Was Explicitly Dedicated to Ausaru, Making It His Major Cult Center. The Deity’s Role and Significance Underwent Considerable Changes, Especially During The Late Old Kingdom, Where The Title Became an Epithet or Manifestation of Anubis Before Being Fully Integrated With Ausaru.
